The mission of Angels’ Place, Inc., a nonprofit 501(c)(3) organization, is to provide the opportunity for single, low-income student parents to complete their education, secure satisfying employment, establish careers and become self-sufficient citizens. Blending programs of excellence that embody best practices of early childhood education, Angels’ Place provides a loving, nurturing, safe and healthy environment giving each child the beginning which all children deserve.
About Our Services

The following services are provided at **no cost** to the families:

**Early Childhood Education**
For children ages birth to five whose parents are enrolled in our program, we provide a high-quality, nurturing environment in a NAEYC accredited setting. The teaching staff and program directors at all three centers are professionally trained to meet the needs of children using best practices and reflective thought processes.

**Counseling and Family Support**
Angels’ Place is fortunate to have a Family Support Specialist who spends one day per week at each Angels’ Place site providing individual counseling sessions as requested by enrolled clients, assisting with resource identification and referrals and helping parents to pinpoint and accomplish individual goals.

**Assistance with Practical Needs**
Angels’ Place strives to provide the resources needed for parents and children to succeed. Each of our sites maintains a clothing donation room and a food pantry to support families as needs arise. Angels’ Place also provides food and clothing to non-enrolled community families in need.

**Client Commitment**
Parents enrolled at Angels’ Place commit to three things upon enrollment: 1) maintaining passing averages in all coursework; 2) participating in a parenting class (offered onsite) one hour per week; and 3) completing two hours per week in volunteer service at their center. This “Parent Pledge” is vastly important and unique to Angels’ Place.

In Memoriam

Angels’ Place and the Pittsburgh community lost a
special friend in November of 2008. Lieutenant
Governor Catherine Baker Knoll was a generous
supporter of our services and shared her heart in
advocating for the moms and dads enrolled in our
program. Through her participation as a member of our
Advisory Board, Ms. Baker Knoll knew and understood
the mission of Angels’ Place. She responded to the
needs of our program in a thoughtful way and used her
influence to advocate for the needs of young student
parents, ensuring they have the resources needed to be
successful.

Her giving heart helped An-
gels’ Place grow and provide
services to many. Even in
her passing, she
remembered us by asking
that donations be made to
Angels’ Place in her mem-
ory.

Our thoughts and prayers
continue to be with the family
of Catherine Baker Knoll. All
