Dear Friends of Angels’ Place,

A season of transformation is upon us, and we are inspired and encouraged by the natural beauty of our world. We are tending equally to our new business model as well as hearts, minds and mission. By approaching Angels’ Place’s new direction holistically, we are ensuring that our approach is strategic, well balanced and thoughtful. We are excited and happy to have so many friends sharing our new journey.

Angels’ Place has been operating three facilities in the Pittsburgh region for over 30 years. We have been monitoring our operational structure and business model closely for the past few years to ensure we are positioned to help our families succeed. Recently, with professional expertise and support, we completed a thorough study of our business, and the findings were clear that operating two facilities – instead of three – would better position Angels’ Place and to help ensure financial stabilization for the long term.

Simultaneously, we learned that the Brookline facility no longer meets our needs in regards to licensing and accreditation standards. Updating the facility would require extensive costs, which we’re not in the position to support. In addition fluctuations in enrollment tell us that the community needs are changing. Therefore, the decision was made to close the Brookline facility to re-focus all our efforts on our Northside and Swissvale locations. This decision, while extremely difficult, is necessary for Angels’ Place to continue to provide much needed services to the greater Pittsburgh area.

What does this mean?

- The Brookline facility’s last day of operation is June 30, 2017.
- We are very pleased that more than half of our Brookline families have expressed interest in transitioning to our other facilities.
- To assist families transitioning from Brookline, we will be offering free bus passes for the months of July and August.
- The Northside and Swissvale facilities will offer extended hours, effective September 5, 2017.
- All Angels’ Place personnel based at the Brookline facility have been offered employment opportunities at our other facilities.

We are exploring options for new “paid” services for working parents who meet low-income guidelines at the Northside and Swissvale facilities. Angels’ Place will continue providing quality early childhood education, care and family support for families in need across the Pittsburgh region. The Brookline community will always be important to Angels’ Place, and we will work closely with all families impacted by this decision. We hope to see you at our celebration of our Brookline site’s contributions to the community.

We appreciate your ongoing involvement and support of Angels’ Place. If you have any questions, please call me at (412) 271-2229. Blessings for a healthy and happy summer, we are thankful for all of our friends and the many gifts you share!

Gratefully,

Beth E. Banas
Executive Director
SPRING PROGRAM HIGHLIGHTS
Across all three of our centers spring is a time of year for growth and new experiences. In April we joined the national celebration the Week of the Young Child, with the theme “Building Better Futures for all Children”. Throughout the month teachers planned a variety of fun and exciting activities based around this theme everyday that included: Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday, and Family Friday. Each spring is joyful and bittersweet as children graduate on to kindergarten and their parents on to new opportunities. Our Graduation Dinners are a time for us to reflect on how far each family has come and to celebrate what the future holds. At Angels’ Place we love sunshine and healthy activities and the Highmark Walk for a Healthy Community gave us another goal to work toward. Each center challenged their families to participate in a Penny War to raise funds and to also walk!

BROOKLINE
※ While we are preparing for the Brookline center to close this summer, children and their parents are still receiving high quality care and support. This spring we had fun field trips to Heinz Hall to watch the Pittsburgh Symphony Orchestra play and had an Easter Egg Hunt field trip to Brookdale Senior Living Center. The friends made at Brookdale Senior Living Center will be greatly missed by the Brookline children and staff who have been grateful for their friendship.
※ During the Week of the Young Child Brookline children painted a mural together, had a special music class, enjoyed literacy emphasis with Reading is FUNdamental librarian Mrs. Erin, and planted seeds to watch them grow!

NORTHSIDE
※ Special friends help our children to grow and learn. Our North Side center is thankful to have Miss Julie from the Carnegie Library at the Woods Run branch to read to the children and the wonderful people at the Blind & Vision Rehabilitation Services of Pittsburgh for doing free vision screenings for the children.
※ During the Week of the Young Child, the children participated in many fun activities. They played musical instruments and sand on Music Monday, made “ants on a log” for Tasty Tuesday, created a chalk mural for Artsy Thursday, and had a Carnival Day and Pizza Party for Family Friday.
※ Toddler teacher Ms. Elisa has returned from maternity leave! Everyone at the North Side center is enjoying having Ms. Elisa back and getting to know her son, Cole.

SWISSVALE
※ The children and staff at the Swissvale center enjoyed a field trip in April to the Swissvale Fire Station where they got to learn about what firefighters do and how to prevent fires. We are thankful for our the first responders in our community that help to teach our children the importance of safety.
※ During the Week of the Young Child, the Swissvale children enjoyed a Carnival day and had an adventure to Frick Park to experience nature first hand.
※ The Swissvale center is looking forward to air conditioning being installed. The installation is funded through a grant provided by the Allegheny County Department of Economic Development.

HONOR DAD AND SAY HAPPY FATHER’S DAY
Make a gift to Angels’ Place this year in honor or in memory of your dad. The impact you’ll have on families will last longer than any gift from the store.

You can make a gift at www.angelsplacepgh.org or by mail to:
2615 Norwood Avenue Pittsburgh, PA 15214
CONGRATULATIONS

We are so proud of all of the children and parents graduating from their perspective programs this spring!

* The Brookline center celebrated two Preschool graduates, and three parent graduates. Two Brookline parents are graduating from the Brightwood Career Institute and one parent is graduating from the University of Pittsburgh in Administration of Justice and Pre-Law.

* The North Side center celebrated four Preschool graduates and three parent graduates. Parents are graduating from All-State Career, Empire Beauty Academy, and the University of Pittsburgh.

* The Swissvale center honored Preschool graduate Lily and two parent graduates. Parents graduated from Woodland Hills High School and Bradford School.
On May 13th, Angels’ Place was proud to once again participate in the Highmark Walk for a Healthy Community. This annual fundraising walk benefits local nonprofit organizations, like Angels’ Place. Highmark underwrites all of the costs for the walk allowing all proceeds to support our mission. The families we serve, staff, volunteers, board and amazing members of the community came out in droves to support Angels’ Place!

We had nearly 200 walkers sign up to support Angels’ Place and were able to raise over $7,000! Thank you to all who walked and donated, and if we missed you this year we’ll see you in 2018!
Anthony, Katie, and Alison enjoy the sights!

Erin and Leslie enjoy an early Mother’s Day with friends.

Aedren and Kira with mom and dad.

Peyton and her parents join the fun!

Erin and Leslie enjoy an early Mother’s Day with friends.

FOR OUR ANNUAL
Halo Awards Dinner Honoring The Grefenstette Family
LeMont
ALUMNI SPOTLIGHT: CHELSEY SEEVERS

The parents and children who we have the honor of serving at Angels’ Place are doing amazing things in our community! Here is one of their stories:

What brought you to Angels’ Place, Inc.? In 2011 I attended the Chemical Laboratory Technician program at Manchester Bidwell Training Center. Attendance was required Monday through Friday during normal business hours. My daughter, at the time, was 2 years old and I was in need of childcare for her so I could attend school. Fortunately for us, an admissions counselor referred us to Angels’ Place.

What was the experience like as a client at Angels’ Place for you and your child? I can’t speak highly enough about our experience at Angels’ Place. I was able to attend class with complete peace of mind knowing that my daughter was safe and loved. The quality of care and early education at Angels’ Place are absolutely best in class. The support that Angels’ Place offered me as a young mother made a world of difference in our lives.

Did the education program you participated in help you prepare for your future? Absolutely! The program I participated in was 10 months of schooling, followed by an 8 week externship. I completed my externship at Covestro (formerly Bayer MaterialScience). A few weeks into my time there, I was offered a temporary position as a lab technician. A few short months later, I was hired as a permanent, full time employee and have been with Covestro ever since!

What is your career like today? My career is still every bit as exciting as it was five years ago! Today, I am a Senior Application Development Technician with a specialization in polyurethane adhesives. I am fortunate enough to be a part of a company supporting and encouraging STEM education at all levels. I have enjoyed visiting several Preschool and Elementary schools within my community and sharing my love of science! My career is challenging, rewarding, and has allowed me to feel like a strong role model for my children!

What is your family like today? My family today is thriving! After I graduated from Bidwell, I got married and became a mom of two. My daughter is now 7 years old; she is confident, smart, athletic, but most importantly the most compassionate little person I have ever met! My son is 3 and the rest of us are just trying to keep up with him! He keeps us on our toes and totally relishes in being the “baby” of the family! We are active in our church and local community and enjoy spending as much time as we can with our extended family!

ENDLESSLY THANKFUL

We are beyond thankful to the support from the volunteers we have had the privilege of hosting at our centers this spring. PNC Grow Up Great volunteers spent a day helping the North Side center with spring cleaning indoors, yardwork, they also built a new dirt box outside for play!

The growth of the organization has been supported through: Katie Kirkpatrick, from PPG, volunteers her time to help with marketing and communication strategies, Baron McDonough, a former child client, now a Financial Consultant with Deloitte, generously provided volunteer services to help strengthen our business practices, and Vanessa Marietti, who donates her time to design our Annual Report and special appeal. Special thanks to Dave Spicuzza from Knepper Press who once again underwrote the printing costs for our Annual Report.

St. Maurice Parish connected Debbie Retenauer to the Swissvale center and she is now our Nutritional Coordinator and a valued team member preparing delicious lunch and snacks for our families.

Special thanks to ongoing volunteer support from Eileen Gelet, Russ Fry, Joan McElhinny, Bonnie Banas, Kim Lamonde, Kathy Slaby, Kathy Beckovich, Patty Kaczmarski, Val Kenny, Megan Grefenstette, Dolores Casali, Isabelle Shatlock, Mike Kassep, Mary Farrell, Keith Rhodes, and the Special Events Committee.

WORKPLACE GIVING

Support Angels’ Place through United Way’s Contributor Choice program. Designate your contribution to Angels’ Place by using code #1200 North Side or #3977 Swissvale.

Many other businesses encourage giving through America’s Charities (EIN #: 25-1450489). Federal employees can give through the Combined Federal Campaign, for which the Angels’ Place code is #44139. The code for the State Employees’ Combined Appeal is #5000-0017.

SHOPPING THAT GIVES BACK

AMAZON SMILE
Shop for all of your favorite products and Amazon will send a portion of the purchase price to Angels’ Place.

Visit www.smile.amazon.com, search and add Angels’ Place as the benefiting nonprofit, and...that’s it! You will only need to do this once as Amazon will save your selected nonprofit.
