Our Mission:

Angels’ Place, Inc. provides exceptional family support and quality early childhood education to help parents in need and their children become lifelong learners and create a brighter future.

Dear Friends,

Angels’ Place remains a beacon of hope for parents and children living in poverty in the Greater Pittsburgh area. We believe that learning is critical to success in life and your help makes that possible. We are inspired by the accomplishments of our families and proud to present our Annual Report. Their success is a result of your investment in our work.

Gratefully,

Our Work

Angels’ Place offers programs for two generations. We are dedicated to fostering an inclusive and caring educational environment for children, their families, and our community. Intentionally designing small, individualized programs create big benefits.

- Children thrive with exceptional high quality early childhood education and child care. In a safe, nurturing and stimulating environment, children develop the social, emotional and cognitive skills needed to ensure school readiness.
- Parents are embraced in the network of our Family Support Program. Designed to strengthen our parents’ developing skills, weekly parent meetings build family resiliency. Strong community partnerships and family service plans ensure our families get connected with needed resources to meet their goals.

The combination of both programs has a ripple effect on our families, future generations, and society. We are proudly working to close the gap for underserved families in the Pittsburgh area, ensuring all individuals have access and opportunity for education and support.

Our People

Thank you for continuing to share a message of hope. Angels’ Place appreciates you! Our donors have been critical to our program’s success and longevity. A list of major donors for 2016-17 can be found at angelsplacepgh.org.
