Dear Friends,

The 2021-22 year gave us the opportunity to witness our champions working together to provide two generations, our parents and their children, the chance to excel. I am grateful for the work that is accomplished from our combined efforts. Whether you make financial donations, volunteer your time, or keep us in your prayers, we appreciate you! Your support has helped to sustain Angels’ Place.

The motivation demonstrated by parents provides the foundation for our annual report which highlights accomplishments and shared success. We have partnered with friends who have invested in the lives of the families enrolled at Angels’ Place. Through careful stewardship, every gift received is put to good use.

We appreciate that you continue to believe in our mission and in the ability of our team to carry out this critical work. It is the knowledge of your confidence in us that encourages us to keep sharing your message of hope and possibilities with families who benefit from the services offered at Angels’ Place. We are proud and honored to have all our faithful supporters by our side as we continue to serve.

Beth E. Banas, Executive Director

EDUCATION

Education is a priority for all of Angels’ Place’s participants. Student parents were afforded the opportunity to pursue their education because we offered our unique services at no cost to them. We ensured that our children entered school ready to learn. This was achieved through a quality curriculum accredited by state and national associations with a focus on social and emotional development.

Our families are inspired to imagine a better future for themselves and their children. Angels’ Place creates a system of engagement promoting optimal outcomes by helping families to utilize resources and build strong social networks that are critical in confronting challenges. Serving two generations ensures that the cycle of poverty is interrupted and replaced with viable life choices. Society benefits and our communities are stronger.

FAMILY SUPPORT PROGRAMMING

We are making significant progress in our effort to support and improve our families’ resiliency and success. A robust network of community support ensures parents have the needed resources. Angels’ Place has strengthened our family advocacy program design to include virtual learning opportunities which created an inclusive environment for our working parents.

The parent education program offered weekly classes hosted by the Family Support Director and guest community speakers. Covering more than 30 topic areas, the curriculum included typical parenting issues and the latest health, safety, and child development information.

THANK YOU!

OUR TEAM

Our faithful staff, volunteers, and Board of Directors worked diligently to uphold our mission. Dedicated donors were vital to ensuring higher education was within reach for everyone. Sharing a variety of resources, the continued and combined generosity brings our vision to life.

The strength of partnerships has been the cornerstone of progress throughout our history. These collaborations are crucial to the work we do. Thank you for your continued commitment to strengthening families. Your participation and support are absolutely remarkable.

A list of major contributors, staff and Board Members can be found on our website www.angelsplacepgh.org.

Thank you for your continued generosity and ongoing commitment.
